NEW BUILDING Update # 1 / Nov 2010

עדכון הבנייה מס' 1 / נובמבר 2010

DEMOLITION STARTED

Internal demolition of the existing building at 569 Glenhuntly Road, Elsternwick, began on Monday November 8. This has included the stripping of all rooms of any salvageable items such as light fittings, windows, bathrooms, toilet fittings and floor boards. The slate roof tiles have also been removed. This week all the salvageable internal works should be completed and we hope to begin the external demolition in the coming days. The entire works should be completed prior to November 28, in time for the Ground Breaking Ceremony.

FUNDRAISING CAMPAIGN LAUNCHED

Leading up the Ground Breaking, a major Fundraising Campaign has been launched. The response from the community in the past two weeks has been fantastic, and we thank all our very generous donors. But we still need your help to turn this dream into a reality. Dedication and Memorial opportunities are available—please make your mark and contact us now (03) 9524-7770 or build@hs.org.au. All donations are tax-deductable. The Ground Breaking Ceremony will be held on site 569 Glenhuntly Road, Elsternwick, on Sunday, December 5 @ 11am.
